

Richard Dugas
Chief Executive Officer
Pulte Homes
100 Bloomfield Homes Parkway
Bloomfield Hills, MI 48304

Dear Mr. Dugas:

I am writing to express my concern for the workers who build homes for Pulte Homes. Workers have reported a variety of problems in their working conditions, including unpaid wages, inadequate benefits, lack of drinking water, unsafe working conditions, and the lack of any voice in the workplace. Pulte has earned hundreds of millions of dollars over the past decade, but it seems that workers have not shared in this prosperity.

As a person of faith, I believe that all workers deserve to be treated with respect and dignity. Pulte Homes has a moral obligation to take responsibility for the actions of its contractors and to ensure that workers who build Pulte homes are able to enjoy fair wages and decent working conditions. Please do the right thing for workers who build Pulte homes.

Sincerely,

[Your Name]
