

Addendum for DePaul University Applicants

- DePaul University applicants will be interviewed by two representatives from both Interfaith Worker Justice and DePaul University.
- Selected interns will receive a stipend of approximately \$250 per week for ten weeks.
- Selected DePaul University interns will be required to engage in programming facilitated by DePaul's University Ministry, Steans Center for Community-based Service Learning, and Mission & Values departments. At these events, students will be expected to share their knowledge and insight regarding Catholic Social Teaching and its relationship to their internship experience. Selected students will meet with staff members to discuss these programming opportunities more fully.
- Selected interns will be encouraged to use their Catholic Social Teaching Internship as the basis for an independent study that would fit into their academic program.

DePaul students who have additional questions should contact either Avery Buffa, Steans Center, (773) 325-7457 & abuffa@depaul.edu or Pauline Villapando, University Ministry (773) 325-4490 & pvillapa@depaul.edu.
